

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.mysmarthealth.org/EPO or call 1-888-492-6811. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call 1-800-318-2596. **Only care received within the Ascension Network (Tier 1) will be covered, unless you have an Approved Referral or in the event of a medical emergency.**

Important Questions	Answers	Why This Matters:
What is the overall deductible ?	Ascension Network: \$2,000 Deductible per ind/\$4,000 Deductible per fam. (Does not apply to some in-network benefits.)	Generally you must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay. Check your policy to see when the <u>deductible</u> starts over. See the Common Medical Event chart for how much you pay for covered services after the <u>deductible</u> .
Are there services covered before you meet your deductible ?	Yes	Preventative care limited to recommended age, frequency, and other guidelines (Ascension Network providers) Routine Physical, Well Baby/Child Care, Routine Immunizations, Annual Gynecological Exam/Mammogram Screening, Colonoscopy (Ascension Network providers) See: smart.health.org/member-resources/preventive-care
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 3 for other costs for services this plan covers.
What is the out-of-pocket limit for this plan ?	Ascension Network: \$4,000 OOP per ind/\$8,000 OOP per fam.	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit ?	Premiums, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out- of-pocket limit</u> .
Will you pay less if you use a network provider ?	Yes. For a list of Ascension Network providers, see www.mysmarthealth.org	If you use an in-network doctor, this plan will pay some or all of the costs of covered services. Be aware, your in- network doctor or hospital may use an out-of-network <u>provider</u> for some services. Plans use the term in-network, <u>preferred</u> , or participating for <u>providers</u> in their <u>network</u> . See the chart starting on page 3 for how

		this plan pays.
Do you need a referral to see a specialist ?	No. You do not need a referral to see a specialist.	You can see the specialist you choose without permission from this plan

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
